**MEMORANDUM FOR THE RECORD**

**SUBJECT: NAFA Meeting in William Orrick's Office, 2 April 1963**

1. Mr. Orrick stated at the outset that there were to be hearings before the Senate Committee on Foreign Relations this week. Mr. Ball, Under Secretary of State for Economic Affairs, will lead off at 10:30 followed by Bill Orrick. One the following day Mr. Murrow of AID will testify and possibly General Taylor for Department of Defense, also James Perkins, President elect of Cornell.

2. Mr. Perkins has received 70 acceptances out of 116 invitations to serve on the Citizens Committee

3. Mr. Orrick mentioned that there has been considerable publicity for NAFA outside the government, including articles in national magazines, interviews on television, speeches, etc. Mr. Orrick and Bob Lee, Deputy Assistant Secretary for Congressional Affairs, reviewed their tactics for getting congressional approval for NAFA. They are:

a. To get civilian support through the type of publicity mentioned in paragraph 3 above.

b. To attempt to impress the Senate, through this week's hearings, that all government agencies fully support the concept of NAFA.

4. Mr. Orrick concedes that the House will be cool toward NAFA.

5. ACTION: Mr. Orrick and Mr. Lee requested that CIA submit an endorsement of 865 to the Senate before the hearings this week. The undersigned telephoned Mr. Lee that this was impossible because we cannot honestly make constructive comments on NAFA until we know more about it.

JOURNAL

OFFICE OF LEGISLATIVE COUNSEL

Friday - 12 April 1963

25X1 1. [ ] Talked with Jack Leahy, State Department and asked his view on the Foreign Affairs Academy bill. He commented that in the Senate it had been taken apart in Committee and they had not yet been able to put it back together again and generally it looked very dim. Further, on the House side it is known that Wayne Hays and John Rooney are unalterably opposed. All in all, Leahy is not optimistic about this bill.

Leahy also advised that the hearings before Senate Internal Security Subcommittee on the question of Americans travelling to Cuba via Mexico with Schwartz scheduled for yesterday as a witness had been cancelled and had not been rescheduled.

[ ]

25X1 3. [ ] Don Jameson called to alert us to a contact with the State Department in which State asked for our opinion on regarding immigration to the United States from Turkey of Soviets. Jameson informed me that on an informal basis, Emmons Brown, Mr. Bland and Jameson agreed that this would be a good idea.

25X1 4. [ ] Talked with Mr. Scott Peek, Administrative Assistant to Senator George A. Smathers, regarding the interest of a local model airplane group in using the facilities of JMWAVE for flying radio controlled model airplanes. I outlined to Peek the reasons why the request of this club could not be approved emphasizing the hazards of explosives in the area. Peek said he understood and would be happy to take care of the matter without referring to the Agency's interests.

25X1 5. [ ] Jim Hyde, Bureau of the Budget, telephoned stating that Bob Lee of State Department called him pointing out that the Agency was not planning to volunteer statements to Senate Foreign Relations in support of S. 865, "To establish a Foreign Affairs Academy." I explained to Mr. Hyde that we had commented on the bill in draft form to the Bureau of the Budget but that we did not believe it was appropriate for us to volunteer a detailed justification of the bill although we had pointed out in our comments certain reservations and added a "no objection" to the bill otherwise. Hyde seemed to understand our position and no further action is contemplated by the Agency.

25X1 6. [ ] OTR, called to say that in testimony before Representative Rooney's Appropriation Subcommittee, George Morgan of the Foreign Service Institute was asked "to whom does FBIS belong." Mr. Morgan deferred giving an answer to the question but said he would look into it. He has asked [ ] for his advice as to how he should handle this. I suggested that Mr. Morgan indicate to Mr. Rooney that FBIS was an Agency function which was not considered classified, but which we did not advertise. Therefore, we would ask that the Subcommittee not include any statement connecting FBIS with the Agency in its published hearings. I suggested to [ ] that he confirm this approach with [ ] 25X1  
[ ] of FBIS and he has done so. 25X1

25X1 4. [ ] Talked with Boyd Crawford, Staff Director of House Foreign Affairs Committee, regarding a request made by Representative Edna F. Kelly in a State Department hearing on State's building legislation, for specific figures on the number of CIA employees in Beirut and Vientiane. Crawford immediately appreciated the fact that we would not want these figures disclosed particularly in the printed hearing and said he would talk with Chairman Morgan about it. I suggested that State merely indicate at that point in the record that this information be obtained from CIA. Crawford said he thought this was a good solution. (Crawford noted, however, that the hearing was before the Subcommittee chaired by Representative Wayne L. Hays who does not have a particularly high regard for the Agency.)

25X1 5. [ ] Talked with Mr. Robert Lee, Deputy Assistant Secretary of State for Congressional Relations, regarding William Orrick's memo on the subject of the National Academy of Foreign Affairs. Lee said he understood that the Agency would not want to testify on legislation in this field but had merely sent us material on the subject so that we would be aware of State Department's position. I thanked him for his consideration.

25X1 6. [ ] Delivered to the Office of the Speaker of the House a letter of transmittal enclosing Central Intelligence Agency Act amendments of 1963.

25X1 7. [ ] Delivered to the Office of the Parliamentarian of the Senate a letter of transmittal addressed to the Vice President enclosing a copy of the Central Intelligence Agency Act amendments of 1963. Mr. Watkins, of the Parliamentarian's staff, noted that it would be included in the Congressional Record for Friday, 15 March, for transmittal to the Senate Armed Services Committee.

25X1 8. [ ] Delivered to William Darden, for Senator Richard B. Russell, a letter enclosing copies of the Agency's transmittals to the Vice President and the Speaker of the House on submission of the Central Intelligence Agency Act amendments of 1963.

25X1 9. [ ] Briefed Mr. Darden concerning an item of operational interest for transmittal to Senator Russell. See Memo for the Record for details.
